**DEPARTMENT OF PUBLIC HEALTH DENTISTRY
KARPAGA VINAYAGA INSTITUTE OF DENTAL SCIENCES**

About the Institution

Karpaga Vinayaga Institute of Dental Sciences (NAAC Accredited "A" Grade Institution) was established in the year 2007 and prides itself in being able to provide an excellent venue for learning, research, healthcare, and community service with an intake of 100 undergraduates and 22 postgraduates under all the departments every year. Our 300-chaired dental hospital has ample facilities to cater to the learning needs of the students and provide comprehensive affordable care for the patients.

We the Department of Public Health Dentistry organize outreach activities, school oral health programs, and village adoption programs for the benefit of the community through a well-equipped mobile dental clinic along with a team of faculties, postgraduates, and interns trained for the same. More than 150 camps are conducted every year across the state tirelessly to promote oral health and reduce the oral disease burden by providing treatments at subsidized costs. We also support and guide various research activities along with an interdisciplinary approach.

About the PG Convention

Warm greetings to all delegates. We are honoured to host the XVI National PG Convention of the Indian Association of Public Health Dentistry, 2025, with the theme ***“ROLE OF PUBLIC HEALTH DENTISTS IN COMPREHENSIVE ORAL HEALTH CARE”*** on 27th & 28th of June, at Karpaga Vinayaga Institute of Dental Sciences, Tamil Nadu. This year's convention focuses on exploring the clinical horizons as a part of the comprehensive oral health care arena. As the need of the hour is a holistic approach to individual and community oral health care, it is high time to sharpen our knowledge and skills in areas of clinical expertise. We hold our students in high esteem and have made a multitude of efforts to make this event a success. We extend our wholehearted invitation to all, grace us with your presence in our joyous state of Tamil Nadu and have a great time fraternizing and learning.
