SGT University

SGT University came into existence under the Haryana Private Universities (Amendment) Act No. 8 of 2013, and within a decade, it has established itself as one of the best educational institutions in Haryana. It is a 70-acre campus located on the outskirts of Budhera, Gurugram. With the continuous rise in expectations of essential leadership standards, SGT University torchbearers have taken responsibility for this investment to nurture NextGen leaders with a vision to bridge the existing skill gap. With a firm step forward to attain academic excellence, several Centers of Excellence, laboratories, incubation cells, and industry-academia associations have been setup at the university in association with global leaders.

Faculty of Dental Sciences

With its excellent infrastructure and cutting-edge equipment, Faculty of Dental Sciences, which was founded as SGT Dental College Hospital & Research Institute in 2002, is now one of the top dental colleges in the nation. Our highly-qualified and experienced faculty has carved a niche for themselves in the field of dentistry, aiming to develop multi-dimensional proficiency in advanced knowledge of dentistry and a commitment to excellence with moral and ethical values.

Public Health Dentistry

The Department of Public Health Dentistry at SGT University believes in planning and executing targeted goals, so that we can perform our duties as health care clinicians to alleviate the enormous levels of dental diseases in all age groups of society. Along with dealing with general dentistry at the outreach level, we also engage in research on oral health care. We have an excellent and progressive academic environment and are engaging in innovation and start-up ideation too.

About the City

Gurgaon was historically inhabited by the Hindu people, and in early times it formed a part of an extensive kingdom ruled over by the Ahir clan. In Earlier History is told that it was the Village of Guru Dronacharya who was the Teacher of Kauravas and Pandvas. In 1947, Gurgaon became a part of independent India and fell under the Indian state of Punjab. In 1966, the city came under the administration of Haryana with the creation of the new state.

Gurgaon, officially named Gurugram, is a planned city located in the northern Indian state of Haryana. It is situated near the Delhi-Haryana border, about 30 kilometres southwest of the national capital New Delhi and 268 kmsouth of Chandigarh, the state capital. It is one of the major satellite cities of Delhi and is part of the National Capital Region of India.

Gurgaon is India's second largest information technology hub and third largest financial and banking hub. Gurgaon is also home to India's largest medical tourism industry. Despite being India's 56th largest city in terms of population, Gurgaon is the 8th largest city in the country in terms of total wealth. Gurgaon serves as the headquarters of many of India's largest companies, is home to thousands of startup companies and has local offices for more than 250 Fortune 500 companies. It accounts for almost 70% of the total annual economic investments in Haryana state, which has helped it become a leading hub for high-tech industry in northern India. Gurgaon is categorised as very high on the Human Development Index.
